Depart, hang out in Old San Juan, or explore. If there are a lot of people staying longer, I can look in to the possibility of organizing another outing. I'm looking into organizing another excursion. In addition, there is the possibility of visiting some of the outer Islands. As I mentioned previously, I'm keeping my house on Culebra open. There are daily flight to both Culebra and Vieques at 8:30am, 1:00pm, and 4:30pm from San Juan (\$40.00) or Fajardo (\$20.00). Also, rental cars are very inexpensive; however, I would not rent a car during the conference, as parking in the city is impossible.
